

Spare the Air Youth High School Grant Program

Task Force Membership

The High School Grant Task Forces consist of primarily County-level staff that work on safe routes to school (SRTS) programs within their agency or department. As part of the Task Force, these members will help shape high school SRTS priorities across the region, and will be consulted in the development of funded projects to help align scopes with County priorities.

As of May 13, 2020, the Task Force membership for the North Bay, South Bay, and Central Area Task forces are as follows:
