Using Healthy Places Index as an additional Disad

- *Small is now 2mill or below, Medium 2-7, Large larger than 7*
- *New pilot program – quick build project pilot for fast to deliver and use paint, plastic, etc.*
- *New performance metric requirements, counts no longer required. Counts required if your project is selected.*
- *Including 2 new questions – you projects connection to affordable housing, and what your city is doing to*
- *Regional guidelines are approved – MTC will continue to use the COC definition, removing 10% funding target removed, requiring applicants over 10 mill to have a scaleability plan. Very high scoring project that were 15mill – so there is a scaleability plan so can*
