Lessons Learned...

What we accomplished:
- Bike Clubs at 2 Schools
  - Hamilton K-8, Novato
  - Davidson Middle School, San Rafael
- 21 Students Participated in Bike Clubs
- 123 Students served by Peer to Peer Activities

What we learned:
- Bike Program at the Y requires the support of staff and administrators who understand our program and goals.
- Transferring a program (even a successful one) from one community to the next can be challenging.

Marin County: Transit Race

Goal:
To raise awareness of why students should use public transit and to host a FUN Transit Race to learn how to use it.

Schools Scheduled:
- TAM High School (Nov. 2015)
- Redwood High School (March)
- Drake High School (April)

Marin County: Transit Race

Tam High School: Challenges

• New school for SR2S
• Tam Principal resigned in October
• Challenge with student recruitment

Tam High School: Learnings

• Student Leadership / ASB partnership
• Teacher support
• Train students in presentation skills
• Peer to peer promotion works; posters, bulletin notices have minimal impact.
